

TALLOW

MODERN STEAKHOUSE

From the team behind The Watchmaker, Tavola – we bring you,
Tallow.

Tallow is a modern steakhouse. What does that mean ... well, we're
not really sure.

What we do know is, what it doesn't mean. It doesn't mean generic
meat from boring suppliers. It doesn't mean stuffy atmosphere
with service and no personality. It certainly doesn't mean a quiet
restaurant with no music giving an energy to the room, and its
diners. It also doesn't mean a drinks list that rattles off the same
wines and cocktails you've read a million times.

So, please enjoy your meal, giggle with your waiter, shake those hips
if you so desire and pick a drink you can't wait to enjoy.

Afterall, you are a in modern steakhouse...
